Dear Customer:

Pratt & Whitney Canada Corp. extend to you a most cordial welcome to the global family of P&WC engine customers. To each new aircraft operator, we supply a free Publications Package consisting of the following:

- Engine Maintenance Manual
- Engine Spare Parts Bulletins
- Engine Illustrated Parts Catalog
- Engine Service Information Letters
- Engine Service Bulletins

As an alternative to printed copy, the Maintenance Manual and Illustrated Parts Catalog are available on CD-ROM, and the Service Bulletins, Spare Parts Bulletins, Service Information Letters, Temporary Revisions, and Tool Service Bulletins are available via the P&WC Portal (internet site).

If you wish to have P&WC Portal access and CD-ROM documentation instead of paper, please mark [X] the appropriate box below. If Internet is selected, you will be provided with Internet registration instructions upon receipt of this form.

P&WC is committed to significantly reducing printed Service Bulletins and has provided 2 electronic options identified below. If you select printed Service Bulletin et al, please consider receiving your updates via email instead of printed copies. Email enables you to receive your bulletins within 24 hrs of issue.

- CD-ROM - Maintenance Manual & Illustrated Parts Catalog
- P&WC Portal - Service Bulletins, Spare Parts Bulletins, Service Information Letters & Tool Service Bulletins
- Email - Service Bulletins, Spare Parts Bulletins, Service Information Letters & Tool Service Bulletins

Revision service for the above publications, including CD-ROM, Internet access, and/or email service is provided free of charge for a period of two years, and at a nominal fee thereafter.

IMPORTANT - PLEASE RETURN THIS FORM TO:
